

Eight West Cheshire AC members will represent Cheshire at this weekend's English Schools Track and Field Championships to be held at Birmingham's Alexander Stadium.

Tom Kellett will line-up in the junior boys hammer, while Stephen Jones plans to make an impact in the inter boys sprint, and Aidan Stoakley has been selected to compete in the senior boys age group.

Laura Rigby, Olivia Montez-Brown, and Kelly Baker have been called up for the junior girls age group.

Rigby will compete in the 100m, Montez-Brown takes part in the 75m hurdles, and Baker will attempt to power her way to a podium place in the shot put.

Alice Jennings and Victoria Anderson will team up for Cheshire in the inter girls age group.

Other locally-based squad members selected for the Cheshire squad include Ellesmere Port-based Danielle Bentley, a pupil at Whitby, who will compete in the senior girls javelin, and Helsby High pupil, Harry Ellis, who will line up in the senior boys 1500m.
